Dear Coaches,

We are currently accepting teams for the 2009 CCBC Catonsville Fall High School Baseball Leagues. We are looking for ten (10) area high school teams that would be interested in playing a seven (7) game schedule with games being held on Saturdays at 9:00am, 11:00am, 1:00pm, 3:00pm, and 5:00pm beginning Sept. 12th. We are also having a Sunday league with ten (10) more teams that will play their games on Sunday's beginning Sept. 13th at 9:00am, 11:00am, 1:00pm, 3:00pm and 5:00pm. All league games would conclude Sunday, October 25th. **There will be no rainout dates this year but every attempt will be made to play all games!** All games will be seven (7) innings or a one hour and 50 minute time limit.

The philosophy of the leagues is to provide a place for coaches to keep their high school teams together and playing during the fall, to further develop and observe younger players in their programs, to provide the coaching staff at CCBC Catonsville with an opportunity to see some of the areas best young talent, and to help support the baseball scholarship fund at CCBC Catonsville. Over the years that we have run this fall league, there have been numerous participants in the leagues who eventually played baseball for us at CCBC Catonsville.

The league entry fee will be \$110 per player, which will cover the cost of umpires, game balls, and jerseys (T- shirt style) that will be worn during games. Teams and players should provide their own equipment, pants, and game socks. **You will need to carry rosters of between 12 to 15 players in order to prevent your team from showing up with fewer than 9 players. Please keep in mind that because of illness, SAT or ACT testing dates, and religious holidays, roster sizes can be a major concern. You must carry a minimum of 12 players on your roster in order to compete in the league! Please be sure in advance that all of your players will show up on time for the games!** If you fail to show up with a complete team, you not only affect your team's reputation but also cause another team to not play a game. There will be fees associated with forfeiting games (\$150) or dropping out of the league prior to the start of the season (\$500).

If you have several players from your program that would be interested in playing but you cannot enter a complete team, we will be happy to assist in the formation of a team combining your players with players from other programs or referring them to other league teams.

At the present time, we are sending this letter to begin accepting teams for the 2009 fall leagues. The leagues reached capacity last year quite quickly. Several teams that participated last year have already reserved spots in the 2009 baseball leagues and only a few spaces remain! If you are interested in participating, I would suggest that you meet with your teams now and decide on which day you would be best able to play (remember, there is a Sunday league as well as a Saturday league) and you may also reserve spots in both leagues. **All payments for the leagues will be due at the league coaches meeting on Friday, September 11th. Please be sure to have your roster completely filled out and all permission slips and checks organized for this meeting! All checks should be made out to "CCBC Catonsville Baseball".** Please note that I cannot wait for checks and permission slips to filter in periodically throughout the season. It becomes entirely too difficult to keep track of and keeps my staff from scouting the games. Coaches may write a check for the entire amount of their roster (preferred method), or may collect individual checks from their players to turn in along with their permission slips. There will be no splitting of costs between players. All players on the roster must pay the full amount in order to participate.

Please return the attached interest form as soon as possible or call me to reserve a spot. Please note that this e-mail contains 3 pages; the cover page, the reservation form, and permission slips for the individual players. Please run copies of the permission slip for your players. If you have any questions or suggestions, you may contact me at the CCBC Catonsville baseball office or e-mail me directly at: cbbccardinalsbaseball@yahoo.com. I thank you for your time and look forward to hearing from you soon.

Sincerely,

Dan Blue
