- **CCBC program requirements and elective credits applied to the TU degree: 42 credits** (*Students must complete all 48 credits listed in Table 2, but only 42 credits will apply to the TU degree*)
- **Total CCBC credits applied to the TU Core Curriculum to fulfill TU general education requirements: 22 credits (includes courses taken at CCBC to meet general education requirements [see Table 1] and program requirements [see Table 2] for the A.A.S. degree)**
- **Maximum number of CCBC credits transferable to TU: 64**

While CCBC's A.A.S. degree in Dental Hygiene is 70 credits, CCBC students may transfer a maximum of 64 credits toward TU's B.T.P.S. degree in Allied Health. If students do not adhere to the courses outlined above in Tables 1 and 2, they are not guaranteed completion of the bachelor's degree in two years. Refer to section 2 for specific course details and transfer planning information.

## Section 2: CCBC Course Selection and Transfer Details

This section explains any specific course selections made in section 1 and provides transfer planning guidance specific to this degree plan. Students must follow the course selections outlined in this document. If students do not complete any or all of the courses outlined in this agreement, they will be required to complete the outstanding requirements at TU.

### General Education

The following explains the transfer of students' general education courses:

Students entering into this agreement will need to complete five Core Curriculum requirements at TU: Creativity & Creative Development (Core 4), Advanced Writing Seminar (Core 9), United States as a Nation (Core 11), Global Perspectives (Core 12), and Ethical Perspectives (Core 14).
