

ATB Dundalk LPN/RN Bridge Program

Students complete BS courses at Stevenson University with the start of the first RN course at CCBC.

ATB ASSOCIATE TO BACHELOR'S NURSING DEGREE OPTION

A COOPERATIVE VENTURE BETWEEN
Community College of Baltimore County and Stevenson University

General Information for this Blended BS Option*

(*begins with a face-to-face SU course, progressing to hybrid, then to fully online)

I. General Program Information

This concurrent enrollment option is available to eligible students once they successfully complete the LPN to RN transition course to the CCBC Nursing Program. Admission is competitive and based on completed courses and grade point average (GPA). Students will be enrolled as degree students at CCBC and Stevenson University (SU) and begin to take SU courses during the Nursing Program at CCBC. Once the Associate of Science (A.S.) Degree is awarded at CCBC, students must take and pass the nursing licensure exam, the NCLEX-RN, and then continue coursework at SU to complete the Bachelor of Science (B.S.) Degree.

CCBC courses will be held at the Dundalk campus; SU courses will be taken on the SU campus.

SU nursing courses start with one face-to-face course (NATB 330) then continue with completely online courses for the remaining degree requirements.

Two degrees will be awarded: A.S. from CCBC and B.S. from Stevenson University (where a minimum of 30 credits will be required from SU to graduate with the B.S.).

Advisors will be available from both CCBC and SU. Financial aid will be arranged through Stevenson University's Office of Financial Aid.

II. Program Admission Requirements

- A. Successful Completion of the LPN to RN transition course.
- B. GPA of 3.0 or higher and demonstrated professional conduct in CCBC Nursing courses.
- C. Additional required courses with a grade of a "C" or better:
 - Chemistry 3–4 credits
 - Nutrition 3 credits
 - Statistics (MATH 153) 3–4 credits
 - Sociology (SOCL 101) 3 credits

Note: Students can apply to SU's ATB option prior to the completion of these courses.

III. ATB Program Progression

Students must remain in CCBC's nursing program and must be successful in all required courses to continue in the ATB option. Students are expected to meet regularly with their SU advisor to review their ATB curriculum plan.

Students are expected to complete the sequence of study as outlined in the SU ATB curriculum plan. Students must successfully pass the NCLEX-RN prior to taking the SU NATB 424 - Health in the Community course.

IV. General Application Procedures

For best consideration, applications and transcripts should be received by January 10 for the SUO deadline:

stevenson.edu/about/campus-services/registrar/enrollment-calendar/.

1. Apply online at suoapply.stevenson.edu/apply/.
There is no application fee for students applying to the SU ATB option.
2. Complete the Personal Statement.
3. Have official, sealed transcripts for all colleges/universities that you attended sent electronically from the institution or mailed to:
ATTN: SUO Admissions
Stevenson University
1525 Greenspring Valley Road
Stevenson, MD, 21153-0641
4. The CCBC SU Collaborative ATB Committee will review applications for admission.
5. Students will be notified by both email and mail with an admission decision.
6. Final grades for CCBC Nursing courses in progress must be received by the deadline stated in the admission letter.

V. Tuition and Fees Important Note:

CCBC Nursing Students who are in the ATB Option are offered a 20% discount on SU's tuition. Tuition is subject to change from one academic year to the next. There are no fees associated with SU's ATB option. For the most up to date tuition information go to the following link and click on the "Tuition" tab: stevenson.edu/online/academics/associate-to-bachelors/ccbc/

VI. Non-Nursing Course Requirements

7 credits	5 credits			

Attention: When you begin your first job as a Registered Nurse, most hospitals will require you to complete New Employee Orientation and start the Nurse Residency Program. Both are very time intensive. It is in your best interest that you do not take a course at Stevenson during the semester that includes your New Employee Orientation.

*Faculty at both CCBC and SU reserve the right to update curriculum plans in response to criteria set forth by accreditation bodies, best practices in nursing education, and the evolving needs of the health care system.
